

Quality Survey

Share your Learning Partners experience and **win additional funding!**

Learning Partners (LP) provider organizations strive to offer the highest quality programming for students and educators. To ensure the programs are meeting your and your students' needs, we want to hear from you!

Fill out the Learning Partners Quality Survey after each LP program or experience, and your campus will be entered in a drawing of two monthly vouchers for \$300 in additional funding! You must complete the survey within 2 weeks after the program has taken place.

The survey is anonymous and results will be shared with our partners and with the Dallas ISD Visual & Performing Arts Department to continue to improve the quality of the Learning Partners program design and delivery.
